

Calculation for the Total Percentage of Recycled Content by Weight in All Wood-Based Fiber Packaging

Based on supplier's letter, DT Research, Inc. calculates the total percentage of recycled content by weight in all wood-based fiber packaging as below list:

		Weight (grams)	% wood- based fiber packaging	Weight of recycled packaging (grams)
1	System Box	232	70	162.4
2	Inner Paper Tray	152	70	106.4
3	Box Sleeve	88	0	0
4	Box Label Sticker	0.5	0	0
	Total	472.5		268.8
	Calculation	56.9%		

After calculation, the wood-based fiber packaging of DT Research is used with 56.9% recycled content by weight to fulfill criterion 4.7.3.1 in IEEE 1680.1: 2018.
