

不使用衝突礦產政策

The Policy for Non-use of Conflict Minerals

美商定誼科技積極地響應全球對衝突礦產的抵制行為，承諾不採用透過迫害人權或武裝脅迫開採的 4 種衝突礦產 (錫、金、鈹、鎢)，特別是來自於剛果民主共和國及其鄰近國家所生產的這些礦產。

DT research, Inc. actively responds to the global boycott for conflict minerals and promises not to use four conflict minerals (Tin, Gold, Tantalum, Tungsten) mined through persecuting human rights or coercion by force, especially these minerals from the Democratic Republic of Congo and its vicinity countries.

為避免美商定誼科技的原物料使用到衝突礦產，要求供應商履行不使用衝突礦產的政策、不採購來自武裝衝突區域及其高危險區所產出的衝突礦產，也請供應商一併要求其上游的供應商執行此政策。

To avoid conflict minerals used in the raw materials of DT Research, Inc., we request the supplier to carry out the policy for non-use of conflict minerals and not to purchase conflict minerals from the region of armed conflict and high risk. We also let our supplier to request their upstream supplier carrying out this policy.
